Regulations and Information

General

All Pari-mutuel pools are calculated and distribute in accordance with the regulations and directives as issued by the Canadian Pari-Mutuel Agency. All tickets should be held until the race is declared official and prices are posted. Notice boards and Photo Finish display boards are located in the Grandstand. The approximate odds represent only the probable payout price of the win pool at the time they are posted and have no bearing on the payout price of any other pool.

Entries and Mutuel Fields

"Entry" means two or more horses in the same race which for the purpose of pari-mutuel betting are coupled or considered as the same betting interest. The most common reason for the coupling of horses in Entry is the fact that they are owned by the same person. "Mutuel Field" means two or more horses in the same race which, for the purpose of pari-mutuel system. Subject to the Regulations, a bet on one horse of an Entry or Mutuel Field shall be considered a bet on all horses in the Entry or Mutuel Field starts in the race, all tickets purchased on the Entry or Mutuel Field remains valid.

Daily Double Betting (Including Late Double)

A Daily Double is a betting transaction in which a purchaser of a ticket undertakes to select the winners of each of the two races specified for the Daily Double. The Daily Double is operated as an entirely separate pool and is not affected by wagering in other pools opened on the Daily Double races. Should a horse or horses (not coupled with a starter) be excused from starting in the second race of the Daily Double after the first race of the Daily Double has been declared official, holders of all Daily Double tickets on such horses, coupled with the winner of the First Daily Double race, shall participate in a Consolation Daily Double.

Exactor Betting

An Exactor bet is a betting transaction in which a purchaser of a ticket undertakes to select the first two horses representing different betting interest to finish in the exact official order of finish, in the race on which the pool is operated. If the same betting interest finishes first and second (i.e. 1-1, 2-2), the payout will be on those horses finishing first and third.

Quinella Betting

A Quinella bet is a betting transaction in which a purchaser of a ticket undertakes to select the first two horses representing different interest to finish, in either order to finish, in the race on which the pool is operated. If the same betting interest finishes first and second (i.e. 1-1, 2-2), the payout will be on those finishing first and third.

Triactor Betting

A Triactor bet is betting transaction in which a purchaser of a ticket undertakes to select the first three horses representing different interest to finish, in the exact official order to finish, in the race which the pool is operated.

Superfecta Betting

A Superfecta is a betting transaction in which the purchaser of a ticket undertakes to select the first four horses representing different betting interest to finish in the exact official order of finish, in the race on which the feature is operated.

Pick 3, 4 And 7 Pools

The Pick 3, 4 and 7 bets are betting transactions in which a purchaser of a ticket undertakes to select the official winners of each of the three, four or seven successive races specified for Pick 3, 4 and 7 respectively. Winning tickets and a mandatory payout of the Pick 3, 4 and 7 are determined in the following sequence: A) winners of all legs, B) most winners, C) most second place finishes, or D) sequentially thereafter. Where no tickets have been sold coupling the official winners of every leg of the Pick 7 and a mandatory payout does not apply, 25% of the day's net pool is paid out as deathbed above while 75% is accumulated and carried over.

Pick 3, 4 and 7 Scratches

In the event a Pick 3, 4 or 7 ticket designates as a selection a horse which is scratched, excused or determined by the judges to be a non-starter in any of the races comprising the Pick 3, 4 or 7 the favorite as evidence by the amount wagered in the win pool at the time of the start of the race in which the scratched occurred, will be substituted for the non-starting selection. In the event that the money bet in the win pool for two or more favorites is identical, the selection with the lowest program number shall be substituted for the scratched horse.

Refunds

Subject to the regulations, all monies in all pools on a race are refunded where the race is cancelled, declared no contest, postponed beyond the racing card for which it was scheduled, subject to a change in distance after betting has commenced, or where the running or the finish of the race can not be properly judged.

Common Pool Wagering (Intertrack Betting)

Subject to regulations, in the unlikely event of a communications or computer system failure, various courses of action may result depending on the nature of the breakdown. Bets from the affected sites, including advance bets, may be refunded. Customers will be advised of the course of action.

Breaking Rules (USTA)

When any horse breaks from their gait in trotting or pacing, their drivers shall at once, where clearance exists take such horses to the outside and pull it to its gait. The following shall be considered violations of section 13(a) a failure to properly attempt to pull the horse to its gait. b) failure to take to the outside where clearance exists and c) failure to lose ground by the break. If there has been no failure on the part of the driver in complying with the violation of section 13(a) then the horse shall not be set back, unless a contending horse on his gait is lapped on the hind quarter of the breaking horse at the finish. The judges may set any horse back one or more places if in their judgement, any of the above violations have been committed and the driver be punished.

Drug Testing

Ensures the integrity of all races contested at the Northside Downs and in conjunction with the Maritime Provinces Harness Racing Commission pre-race blood gas analysis are conducted at random on selected horses. Post race urine tests are conducted according to CPMA regulations.

Northside Downs Official Program

Supervision of pari-mutuel betting and drug control surveillance programs are provided by the federal Minister of Agriculture, the Honorable Gerry Ritz. All pools are calculated and distributed according to the Regulations set out by the Canadian Pari-Mutuel Agency

2011

Today marks the end of another racing season at Northside Downs. The six month schedule started in early May and over the 30 days we witnessed some great racing. The track record which is 1:55, was set by outlaw positive charge n 2010 and equal this summer by "Serious Damage" The Atlantic Sire Stakes were at the track in July and August. Moon Landing took her division of the A Fillies in 1:55.3. The second filly class went to "Honey Do Jig Time" in 1:57, and the third set of fillies and "Grayland Rain" pick up the victory in 2:00.4. The B Division was won by "Hot Diggity Della" in 2:01.

On the two year old scene, the pacers were at the Downs on August 4th & 6th. In the filly races "Sweetwater teaha" got the job done in 2:00.2, and in the second division, " Bettim Theresa" paraded to the winners circle with a mile in 202.3. The two "B" events were won by " Gascoigne Astro" in 205.1 and " See you on the Beach" in 202.3. The 2 yr old colts were on stage on Saturday, August Lyndale Royal stopped the clocks in 2:00.1. To win the first "A" division two it was "Dukes up" posting the mile in 201.1. The "B" event was won by "Frankie Roy" in 202.4

Young Carey Romeo certainly made a name for himself at the Downs this season. The well liked driver is getting more drives than he can handle. He has done an excellent job on the track, Another young man to keep your betting eyes for next year is Warren MacKinnon. He looks like he has the ability to be very competitive in the race game. Young Adam Lynk is improving with every drive he gets. This quiet young man can handle a horse, and has done very well with his catch drives.

The late closer program which consisted of six events, and ran only three of them filling the ones that did fill resulted in some horsemen in earning some nice money. For the program to continue, they should be more active when the series are available to them. The influx of horses from the Inverness track certainly added to the number of horses trying to get raced at North Sydney. In the last three weeks, an average 150 horses were entered in the declaration box, trying to get raced.

A few highlights worthy of mention, one truth or dare winning the Neil Campbell Memorial Pace in 1:56. Greg Sparling scoring his 1500th lifetime win while driving Dusty Lane Lass, on September 17th. Congratulations to Andre Campbell and her team for a job well done in sponsoring her late father's race. John Kyte an outstanding blacksmith for many, many years, passed away this week at the age of 94. The Memorial Day Race card was well attended by families of those who passed on over the years.

A nice thought by Bob Wadden to organize a moment of silence by the Drivers in the Winners Circle.

At this time I would like to pay a special thank you to all my co-workers, from the top of the building, including the Judges, Danny MacKinnon, Dan Dowrie, Doug "Sonny" Rankin, Ardon Mofford, Charter Robert "Herman" Kelly, Timers- Donna Rankin and Valerie Lantz. The PhotoPatrol Staff Deborah Rankin and Dave Lewis. Wayne and Kansas and their stream program. Brenda Smith and The Standard Bred Canada Reps. Karen, Janice and the Pari-Mutual staff, Watson and John from the CPMA, track photographer, Ryan Singular, United Tote Personnel. The Paddock Staff including, Paddock Marshall - Elmer Coadic, Karen Hawco, and Horse Identifier- Donnie Saunders. A Big Thank You to one of the hardest workers I ever met around the track "Donnie MacDonald" and his co-workers, Robert Lancelove and Jerry Ashford are totally committed to their jobs. To Joyce and her canteen staff, I say thank you for the excellent service. To the Racing Fans a big Thank you for your continuous support to this great sport. I think I touched everyone in this great sport. I think I touched everyone in the few lines above. Now to the one person who undertook a big job in February. To Maureen Murphy the General Manager of the Exhibition and Northside Downs, I will say Thank you on behalf myself and all the staff. Your job is not easy, but you have accomplished so much in such a short time. Under your leadership, I can only see a great future for the EX a n d Racing here at North Sydney, again I say thank you.

A handwritten signature in black ink, appearing to read "Colleen Rankin". The signature is written in a cursive, flowing style with a long, sweeping underline that extends to the right.

HOW TO BET

Please call your bets to a teller in the following manner: Amount of base bet, type of bet, horse numbers. Examples: \$3.00 to Win, number 7; \$5.00 Daily Doubles, 6 and 4, 7 and 5. The minimum amount for a single bet in any pool other than Pick 3, Win 4 & Pick 6 i.e. \$2.00, However: \$1.00 bets are available in Wheel and Box combinations in Daily Double Exactor and Triactor pools (see below).

TYPES OF BETS

The following types of bets may be made on each race:

WIN - You must select the winner of the race.

PLACE - Your horse must finish first, second.

SHOW - Your horse must finish first, second or third.

The following "feature" bets are available on one or more races as indicated in the program:

DAILY DOUBLE - Select the winner of two consecutive races for the races designated as the Daily Double events. This bet must be placed before the first race.

EXACTOR - Select the first two horses in exact order of finish.

TRIACTOR - Select the first three horses in exact order of finish.

SUPERFACTA - Select the first four horses in exact order of finish.

PICK 3 - Select the winner of three consecutive races for the races designated as Pick 3 events.

WIN 4 - Select the winners of four consecutive races for the races designated as Win 4 events.

PICK 7 - Select the winners of seven consecutive races for the races designated as Pick 7 events.

BOXES AND WHEELS

By "boxing" or "wheeling", you can combine several bets on one ticket, as follows:

DAILY DOUBLE

Wheel one "key" horse in the 1st race with several horses in the 2nd race or several horses in the 1st race with one horse in the second race - your ticket is cashable if the key horse and one of your choices in the other race are both winners. Example: \$1.00 Daily Double Wheel, number 3 "on top" with a nine horse field, cost is \$9.00 (9 combinations).

EXACTOR BOXES & WHEELS

Box two, three or more horses - your ticket is cashable if TWO of the boxed horses finish first and second. Examples: \$2.00 Exactor Box, 3 and 5 - cost is \$4.00 (2 combinations). \$3.00 Exactor Box, 2, 4, 5 - cost is \$18.00 (6 combinations). \$1.00 Exactor Box, 1, 3, 5, 8 - cost is \$12.00 (12 combinations). Wheel one horse to the rest of the field - your ticket is cashable if that horse finishes in the selected position, either first (on top) or second (on bottom). Example: \$1.00 Exactor Wheel, 3 "on top" - with a 9-horse field, cost is \$8.00.

TRIACTOR BOXES AND WHEELS

Box three, four or more horses - your ticket is cashable if three of the boxed horses finish 1st, 2nd and 3rd, in any order. Examples: \$1.00 Triactor Box, 2, 3, 5 - cost is \$6.00. \$1.00 Triactor Box, 2, 3, 4, 5, 6 - cost is \$24.00. \$1.00 Triactor Box, 2, 3, 4, 5, 6, 7 - cost is \$60.00. \$1.00 Triactor Box, 2, 3, 4, 5, 6, 7 - cost is \$126.00.

SUPERFACTA BOXES AND WHEELS

Box four or more horses - your ticket is cashable if four of the boxed horses finish 1st, 2nd, 3rd and 4th in any order. Examples: \$1.00 Superfacta Box, 2, 3, 4, 5 - cost is \$24.00. \$1.00 Superfacta Box, 2, 3, 4, 5, 6 - cost is \$120.00. \$1.00 Superfacta Box, 2, 3, 4, 5, 6, 7 - cost is \$360.00. Key Horse Bet also available - Example: \$1.00 Triactor Key, number 4 with numbers, 5, 6 and 9 - cost is \$6.00 (6 combinations). The ticket is cashable if number 4 (the "Key" horse) wins and two of the numbers, 5, 6 and 9 finish second and third. Key horse plus 2 horses = 2 combinations; Key horse plus 4 horses = 12 combinations; Key horse plus 5 horses = 20 combinations; etc. Wheel two horses to the rest of the field - your ticket is cashable if the two specified horses finish in the selected positions. Example: \$1.00 Triactor Wheel 2-6 - all - with a 9-horse field, cost is \$7.00 (7 combinations). Variations: all - 2 - 6, 2 - all - 5. Wheel one horse to the rest of the field - your ticket is cashable if that horse finishes in the selected position. Examples: \$1.00 Triactor Wheel, 5 - all - all - with a 9-horse field, cost is \$56.00 (56 combinations). \$2.00 Triactor Wheel, all - 8 - all with an 8-horse field, cost is \$84.00 (42 combinations).

PARTIAL WHEELS

If you don't want to include all horses in a wheel bet, specify "Part Wheel" and call the horse's numbers individually. Examples: \$1.00 Exactor Part Wheel, 7 with 1, 2, 4 and 9 - cost is \$4.00. (4 combinations) and the ticket is cashable if number 7 wins and any of numbers 1, 2, 4 & 9 finishes second; \$2.00 Triactor Part Wheel, 3 with 8 with 1, 2, 4 and 9 - cost is \$8.00. (4 combinations) and the ticket is cashable if number 3 wins and number 8 finishes second and any of numbers, 1, 2, 4 or 9 finishes 3rd.

PLEASE NOTE

When calling Box or Wheel bets to a teller, specify the amount of the base bet - for example: \$1.00 Triactor Box, \$2.00 or Wheel - and not the total cost of the wager.
